

1200W portable power station in Melbourne

Overview

What is a magneto 1200W portable power station?

Power for peace of mind. In the event of loadshedding or power cuts, the Magneto® 1200W Portable Power Station is the ideal power backup system!.

What is a voltx v1200 power station?

☐All-in-One Charging Hub☐ The VoltX V1200 Power Station is your ultimate portable power solution, boasting up to 9 output ports including 3x AC outlets, 1x DC outputs, 4x USB ports, 1x car cigarette lighter, capable of meeting a wide range of device charging needs simultaneously.

How long does a voltx v1200 power station take to charge?

☐Rapid Recharge, Ready to Go☐ With a high power output of 1200W and a large storage capacity of 1152Wh, the VoltX V1200 Power Station supports rapid charging and can be fully recharged in just 2 hours, quickly preparing it to supply power for your adventures or daily needs.

Do you need a depoist for a portable power station?

We require \$300 depoist when you pick up the portable power station. We suggest paying the \$300 deposit online for convenience and security. Presenting a valid photo ID is a mandatory requirement upon pickup. Otherwise, we will be unable to rent the equipment to you. If you place an order on the same day, please contact us first by email or phone.
