

# **Are there any base station sites in Palikir**

## Overview

---

Where is Palikir located?

Palikir, the capital of the Federated States of Micronesia (FSM), is located on the island of Pohnpei, which is known for its lush tropical nature and mountainous terrain. Palikir serves as the political and administrative center of the country, and is home to government offices and foreign embassies.

What role does Palikir play in the Federated States of Micronesia?

Palikir, despite its modest size, plays a critical role in the governance and administration of the Federated States of Micronesia. State: Pohnpei. Island: Pohnpei. Population: ~ 7,000. Written and fact-checked by Ontheworldmap.com team.

How many people live in Palikir?

There is no significant population in Palikir. F.S.M National Capital Complex - The capital buildings of the Federated States of Micronesia sit on a 135 acre complex a few hundred yards down a side road off the main road. A large sign sits at the intersection of the two roads, making it very clear where to turn.

What to do in Palikir?

Although Palikir itself is primarily a government center, there are several attractions in its vicinity. Nan Madol, an ancient city built on a series of artificial islets off the east coast of Pohnpei, is an important archaeological site that provides insight into the island's pre-colonial history.
