# Bangkok RV Solar System Installation

## Overview

---

Where can I install a solar system in Thailand?

If you do not want to install a solar system, there are many installation companies in Thailand including: Sunnergy Energy: Sunnergy Energy is a highly rated company located in Bangkok that sells and installs solar electric systems and components.

How to choose a solar installation company in Thailand?

SCG: SCG is one of the biggest construction companies in Thailand and has several solar system packages. When you use an installation company, you should make sure that they use solar components from reputable brands such as HUAWEI, SUNERGY, or SCG.

Should you install solar panels on your roof in Thailand?

Many Thai households choose to install solar panels on their rooftops, especially in detached houses in cities like Bangkok and Chiang Mai. If you want power supply even during blackouts, you can add a battery energy storage system — in summer, when air conditioners are used heavily, solar power can significantly reduce electricity bills.

Which countries install solar panels in Thailand?

Cambodia, Korea, Laos, Malays. CH. Karnchang List of Thai solar panel installers - showing companies in Thailand that undertake solar panel installation, including rooftop and standalone solar systems.
