

# **Cairo container solar energy storage solar container lithium battery foreign trade**

## Overview

---

Why is solar & storage live held in Cairo?

As part of the globally organized "Solar&Storage Live" series of fairs, the event in Cairo emphasizes its international significance. The choice of the Egypt International Exhibition Center in Cairo as the venue reflects the growing commitment of Egypt and the MENA region in the fields of solar technology and energy storage.

Where does solar & storage live Egypt take place?

The Solar & Storage Live Egypt fair takes place in Cairo, at the EIEC Egypt International Exhibition Center. When is the Solar & Storage Live Egypt taking place?

Visit the Solar & Storage Live Egypt from .

What's going on with Egypt's solar project?

Work is underway on a 1.1 GW solar project with 100 MW/200 MWh of accompanying battery energy storage in Egypt. The first phase of the project is scheduled for commercial operation during the first half of next year.

What is Egypt's first hybrid solar and battery project?

The project, billed as Egypt's first hybrid solar and battery project, will be built in two phases. The first will see 561 MW of solar constructed alongside 100 MW/200 MWh of battery storage, with a targeted date for commercial operation in the first half of next year.

## Cairo container solar energy storage solar container lithium battery
