# China upgrade circuit breaker in Netherlands

## Overview

---

What does China want from the Netherlands?

China hopes that the Netherlands will take concrete steps to safeguard the legitimate rights and interests of businesses from all countries, including those in China and the Netherlands, and ensure the stability of the global semiconductor supply chain, the MOC added. ■.

Why is Nexperia in dispute with Wingtech?

Nexperia has been in dispute with Wingtech since the Dutch government took control of the firm in September. Beijing responded by halting exports of Nexperia's finished products, triggering chip shortages for global automakers.

Should the Netherlands be a member of the World Trade Organization?

As a member of the World Trade Organization, the Netherlands should uphold market principles and the spirit of contract, in the interests of safeguarding international trade rules and the broader picture of China-Netherlands economic cooperation, according to the MOC.

Will Nexperia send a delegation to China?

By Yukun Zhang, Eduardo Baptista and Joe Cash BEIJING, Dec 11 (Reuters) - Beijing called on Thursday for the Dutch government to push Nexperia to send a delegation to China, as a standoff between the Netherlands-based chipmaker and its Chinese parent again threatens to disrupt the global automotive supply chain.
