Colombia container custom wholesale

Overview

How much does container shipping cost in Colombia?

Container shipping quotes for Colombia can cost as little as \$650 from the port of Rio Haina, taking up to ten days for US shipping and five weeks to Spain. Colombia has become one of the most dynamic shipping economies in the western hemisphere thanks to an increase in petroleum exports.

How long does it take to ship to Colombia?

The longest transit time to Colombia is the route Dallas – Buenaventura, with an average of 36 days while the shortest is the route Oakland – Buenaventura, which takes around 10 days. The estimated transit time to ship a container from Spain (Bilbao or Vigo) to Colombia is 32 days on average. What type of cargo can be sent in a container?

Is Colombia a shipping country?

Colombia has become one of the most dynamic shipping economies in the western hemisphere thanks to an increase in petroleum exports. They've also gained a competitive advantage due to having sea ports on their Caribbean cost and Pacific coast. They export to the US, Panama, China, the Netherlands, Mexico, Germany and Brazil.

How long does it take to ship a container from Spain?

The estimated transit time to ship a container from Spain (Bilbao or Vigo) to Colombia is 32 days on average. What type of cargo can be sent in a container?

Standard dry shipping containers are the most commonly used type because of the range of sizes and capacities they come in.
