What is a daranener® portable power supply?

DaranEner® offers an array of portable power supply solutions, including solar generators, portable power stations & solar panels. These products will ensure you that you can always keep your devices charged when necessary.

What is daranener ®?

Explore more with DaranEner. DaranEner was born from a vision to create more advanced portable power stations that would provide the necessary power for people's activities. DaranEner® offers an array of portable power supply solutions, including solar generators, portable power stations & solar panels.

Why should you buy a daranener power station?

The DaraNener power station offers everything you need. It has sufficient power, is solidly built and offers many connection options for various devices. It can also be charged independently of conventional power outlets, making it ideal for camping, camping or as an emergency power unit, especially in combination with a solar panel.

How much does a daranener power station weigh?

As already known from Daranener, the workmanship of the Power Station is exceptionally good. Thanks to the two sturdy side handles, you can easily move the part, which now weighs "only" 18 kg. The predecessors had all weighed over 20 kg or even 25 kg, so fortunately, a bit of something has been done here in terms of compactness!
