

# **Estonian Folding Container Automatic Type**

## Overview

---

What makes faltsysteme a successful reusable container company?

In 1978 WALTHER Faltsysteme folded the first reusable containers. Since then, our container specialists have been renowned as the experts in the foldable plastic box market. Our success is based on the right fold: whether lengthwise or crosswise, with a hinge or without. This is largely defined by our customers' requirements.

How many containers can a collapsecon hold?

COLLAPSECON's innovative and fully automated design allows up to 4 containers to be collapsed and combined, giving them a fully laden weight and enabling them to be transported anywhere on a ship. 1/6 COLLAPSECON collapses horizontally, ensuring the container maintains its structural rigidity in any form.

Why do we develop storage and transport containers for international logistics markets?

This is largely defined by our customers' requirements. Individual solution instead of simple off-the-peg sales: This is the guiding principle behind our development of storage and transport containers for international logistics markets, helping us to come up with a comprehensive range for trade and industry.
