

WALMER ENERGY

European supplier of 20-foot collapsible containers

Overview

What is a 20 ft insulated container?

If you need extra storage space, a 20-ft insulated container is a clever and cost-effective solution. With a 20-ft environmental container from DC-Supply A/S, you ensure safe storage of potentially harmful liquids and material, e.g. at the construction site. At DC-Supply A/S, you can rent a 20-ft container with insurance-approved locking brackets.

What is a 20ft flat rack container?

The 20ft Flat Rack container is used to transport bulky oversized cargo. Flat Racks are shipping containers without sidewalls or a roof. The cargo is fixed and lashed on the flat racks with belts and chains to ensure safe transit. Trident both leases and sells 20-foot Flat Rack containers. We have both used and new containers.

Which ISO container is best for oversized cargo?

The Flat Rack standard 20ft or 40ft ISO container with CSC approval is particularly suitable for oversized cargo. Our well designed standard ISO 20ft double door container with CSC approval is built to withstand many years of use. At DC-Supply, we can deliver both new and used containers, respectively 20 and 40ft ISO with CSC approval.

What is an offshore container?

Our offshore container is a high cube ISO container with CSC approval. It includes chain slings of 10ft and 20ft. At DC-Supply, we can deliver 10ft, 20ft, and 40ft reefers. An insulated storage container ensures that your products are safe and dry.
