

# Himel circuit breaker factory in Philippines

## Overview

---

Is Himel a good brand in the Philippines?

The brand also has a strategic association with the Institute of Integrated Electrical Engineers in the Philippines. Rodel Melendres, Country Sales Manager for Himel in the Philippines, said “Himel has shown tremendous growth while meeting demands for reliable and affordable electrical products.

Where are Himel electrical distributors located?

With six distributors spread across key cities—Manila, Quezon, Cebu, Davao, Caloocan, and San Juan—Himel is strategically placed to cater to electrical retailers, panel builders, original equipment manufacturers, contractors, and consultants across the country.

What is Himel doing in the Philippines?

Himel in the Philippines has been part of several successful electrical projects including the New Clark City Athletics Stadium, several SM City and Gaisano malls, IKEA Philippines, condominium projects like Breeze Residences, Shore 2 and 3, and Sky Suites Tower, as well as housing projects with CUBO and the National Housing Authority.

Who is Himel Philippines?

Himel Philippines - Reliable, applicable and sustainable low-voltage power distribution and electrical installation technologies and products. No matter for urban or rural electrical grid, we provide you the right choices with just enough functions in low-voltage power distribution products and electrical installation technologies
