

# Home solar inverter OEM

## Overview

---

What services does an OEM solar inverter offer?

**OEM Services** If the customer already has their product design, we can provide manufacturing and testing services and then deliver the product. As the OEM solar inverter is custom designed, the product will be manufactured exclusively for the customer. **ODM Service.**

Who makes solar inverters?

Senergy is a professional solar inverter manufacturer with 20 years of experience in developing and manufacturing a range of solar inverters, including 1-10kW single-phase and 6-100kW three-phase on-grid solar inverters. They also offer energy storage inverters, highlighting their expertise in both residential and commercial solar solutions.
