# **Huawei Mobile Base Station Equipment After-Sales Service**

## Overview

---

What is Huawei base station backhaul microwave?

Based on leading wireless, transmission, and datacom technologies, Huawei base station backhaul microwave solution provides fiber-level broadband wireless backhaul capabilities, ultra-low latency, fully modular architecture design, and co-site integration with wireless networks.

What services does Huawei offer on-site?

Single on-site service Huawei's authorized engineers assist in troubleshooting on site, including fault information collection, diagnosis and analysis, solution implementation, and faulty parts replacement, to quickly restore services.

Why should you buy an extended service package for Huawei devices?

Maintenance service You can purchase an extended service package to enjoy more worry-free and lasting professional maintenance when the warranty of Huawei devices expires.

What is Huawei spare parts service?

Spare parts service Based on Huawei's spare parts service networks around the world, we provide you with original product spare parts to ensure the smooth operation of your business.
