# Liberia New Energy Site Operation Company

## Overview

---

Will Liberia sign a production sharing contract with totalenergies?

Liberia Signs Production Sharing Contracts with TotalEnergies for Four (4) Offshore Blocks in the Liberian Basin. Paris, France — September 16, 2025.

Is totalenergies resuming exploration activities offshore Liberia?

“TotalEnergies is enthusiastic to be part of the resumption of exploration activities offshore Liberia,” said Kevin McLachlan, Senior Vice-President Exploration at TotalEnergies. “Entering these blocks aligns with our strategy of diversifying our Exploration portfolio in high-potential new oil-prone basins.

What will energicity do in Liberia?

We look forward to continuing our work in Liberia and beyond, empowering communities to thrive and grow with access to productive sustainable energy,” says Nicole Poindexter, CEO and founder at Energicity.

Will Sweden bring electricity to rural Liberia?

“Sweden is happy to be part of this journey to bring electricity to rural Liberia, a vital step towards development that strengthens local businesses, enhances essential services and empowers communities for a brighter future,” comments Karl Backéus, Sweden’s Ambassador to Liberia.
