

# **Middle East Electric Forklift solar container lithium battery Pack**

## Overview

---

Which electric forklifts come with a lithium ion battery?

The entire range of Heli's trusted and efficient Electric Forklifts are now available with a Lithium Ion battery. What's more, the 10 Ton Heli forklift is the ONLY Lithium Forklift which will be available in the UAE, cementing Heli's position as a technology leader. Preorder the Heli 10 Ton Lithium Forklift today.

What are the benefits of lithium batteries for forklifts?

Advances in Lithium Ion technology have made Lithium forklifts more cost effective in the long-term. They require virtually no maintenance and can be charged quickly even during operator breaks. Save on energy bills: 30% more energy-efficient and charge 8 times faster than lead-acid batteries.

Are lithium batteries better than diesel forklifts?

They require virtually no maintenance and can be charged quickly even during operator breaks. Save on energy bills: 30% more energy-efficient and charge 8 times faster than lead-acid batteries. With rising diesel costs, Lithium forklifts make more sense than diesel forklifts than ever before.
