

# **New Zealand Auckland factory rooftop solar panel manufacturer**

## Overview

---

100% Kiwi owned, Taspac was founded in 2014 with a very simple goal – to provide best-in-class renewable energy solutions to New Zealand solar installers and electricians, backed up with a high level of local sales, technical and warranty support. Who are NZ solar installers?

Trusted by NZ installers. We supply premium solar panels, inverters, batteries, cables, and mounting systems — all in stock locally for fast delivery. Our global brand partnerships mean proven performance and reliability. Expect sharp pricing, responsive service, and tech you can trust — so your installs are faster, easier, and more profitable.

Who is New Zealand solar power?

New Zealand Solar Power is a NZ owned and operated company that provides solar power solutions to Kiwi homes and businesses. Our approach is simple: Determine whether solar is right for our clients and design a tailored solar power solution to meet their needs. 2025 © New Zealand Solar Power Ltd | All rights reserved. New Zealand Solar Power Ltd.

Where can I find a solar panel company in New Zealand?

Address: 18 Fielding Crescent, Farm Cove, Auckland 2012, New Zealand  
Contact Details: +6496001255 Operating Hours: Monday to Friday - 9 AM to 5 PM Website If you're looking for a solar panel company with a skilled team that's there from start to finish, Total Solar is a solid choice. They do both residential and commercial solar installations.

Is Auckland a good place to install solar panels?

Auckland's temperate climate makes it suitable for solar power. However, you'll need to consider your energy needs and roof orientation to determine if solar is suitable for your property. We recommend consulting with our experts in the region for a professional opinion. Are solar panels effective during winter?
