

Nordic energy storage power supply OEM company

Overview

Are Nordic Energy Systems a good company?

The guys from Nordic Energy Systems were really good. We called them to install a new fire place/chimney. Going into the project I was a little bit worried. We had a brand new steel roof and I was afraid it might get messed up during the installation, but my fears were unwarranted. Everything looks great! I can't say enough about Nordic Energy.

Is Northvolt a good energy storage company?

Northvolt, as one of the top 10 energy storage companies in Sweden, founded in 2015 by former Tesla executives, is a Swedish battery manufacturer specializing in lithium-ion technology for electric vehicles and energy storage.

What is the energy storage industry in Sweden?

To sum up, the energy storage industry in Sweden is in a phase of rapid development, and these energy storage companies have taken a significant position in the market through continuous innovation and optimization of solutions.
