Nuku alofa Industrial solar Panel Manufacturer

Overview

Where is Nuku alofa?

Nuku alofa is the capital city of the Kingdom of Tonga and has a population of over 24,000. It is the administrative and commercial center as well as the chief port of the country. Tongan and English are the prevalent languages here. The first Europeans to set foot upon these islands were the Dutch who arrived in the year 1616.

Where are nuuko solar products made?

NUUKO has two domestic production sites and over ten branches/offices which are located overseas. Products include solar cells, modules, solar on-off grid systems, solar water pumps and other solar energy related products. The products have TÜV, MCS, CEC, IEC, ISO, CE, CQC and many other international certifications.
