

# Outdoor Power BESS Supply

## Overview

---

Is C&I Bess a good battery storage provider?

**Product Description** As a trusted lithium energy storage provider, our Outdoor C&I BESS offers unmatched safety and reliability. Its LFP lithium-ion technology ensures high performance for commercial lithium battery storage, with advanced safety features like pressure relief and fire protection.

Who uses enerblock outdoor battery storage system?

Our EnerBlock outdoor battery storage system supports a wide range of industries, including manufacturing, data centers, hospitals, and utility companies. Designed as a robust industrial lithium battery storage solution, it provides backup power, peak shaving, and grid stabilization for uninterrupted operations.

What certifications does our outdoor energy storage system meet?

Our outdoor energy storage system meets rigorous international standards, including GB/T 36558, IEC 62933, UL1973, and UL9540A. These certifications ensure top-tier safety and performance, making it a trusted option for battery technology for industrial use and commercial energy needs. Do not hesitate and fill the request form.
