

# **Papua New Guinea solar Energy Storage Container Manufacturer**

## Overview

---

Who is png solar supply?

This project highlights the company's ability to bring sustainable energy to even the most isolated regions of the country. PNG Solar Supply is proudly Papua New Guinean-owned and operated and has supplied 23 projects across PNG, providing much-needed employment opportunities for local communities.

What is dsenergy png?

At DSEnergy PNG, our mission is to illuminate Papua New Guinea with sustainable solar power solutions, empowering communities and businesses alike. We are dedicated to pioneering renewable energy initiatives that transcend geographical barriers, fostering environmental stewardship, economic growth, and social progress.

What makes png solar supply unique?

This unique business model allows the company to contribute both to energy sustainability and educational growth in PNG. One of PNG Solar Supply's flagship projects is the Kanabea Mini-Grid, located deep in the hinterlands of Gulf Province.

What is png solar supply's kanabea mini-grid?

One of PNG Solar Supply's flagship projects is the Kanabea Mini-Grid, located deep in the hinterlands of Gulf Province. This mini-grid system features a 103 kWp solar array supported by 122 kWh of battery storage utilizing advanced lithium iron phosphate batteries.
