Papua New Guinea solar container communication station wind power tower manufacturer customization

Overview

Who is solar energy Papua New Guinea?

We are Papua New Guinea's leading solar energy company, providing high quality solar services for your home or business through renewable energy.
WHY USE SOLAR?

Despite huge popularity in the rest of the world solar power has yet to take off in PNG.

Who is png solar supply?

This project highlights the company's ability to bring sustainable energy to even the most isolated regions of the country. PNG Solar Supply is proudly Papua New Guinean-owned and operated and has supplied 23 projects across PNG, providing much-needed employment opportunities for local communities.

What is dsenergy png?

At DSEnergy PNG, our mission is to illuminate Papua New Guinea with sustainable solar power solutions, empowering communities and businesses alike. We are dedicated to pioneering renewable energy initiatives that transcend geographical barriers, fostering environmental stewardship, economic growth, and social progress.

What makes png solar supply unique?

This unique business model allows the company to contribute both to energy sustainability and educational growth in PNG. One of PNG Solar Supply's flagship projects is the Kanabea Mini-Grid, located deep in the hinterlands of Gulf Province.
