

Philippines double glass solar curtain wall supplier

Overview

What types of curtain wall systems are available in Metro Manila?

Curtain wall systems are available in a variety of colors and finishes including standard and customized anodized finishes and powder coated colors. Kima Glass is the first glass company outside Metro Manila to offer customized stained glass using imported materials.

Who is intact curtain wall windows & door Corporation?

As a facade contractor in the Philippines, Intact Curtain Wall Windows & Door Corporation will ensure to supply with quality as priority, fabricate with innovation that invites progress, and installation that prioritizes a purpose driven performance Our team is available to discuss your project requirements and provide expert advice.

Why are curtain walls important in the Philippines?

They shield the building from harsh weather conditions, ensuring the interior remains safe and dry. Most curtain walls in the Philippines integrate features like double glazing and thermal breaks to improve energy efficiency, leading to lower utility costs.

Why should you choose leicorv curtain wall systems?

Leicorv 's curtain wall systems provide a striking architectural feature, combining expansive glass panels with superior structural support. With precise fabrication and installation, they offer superior thermal and acoustic insulation, contributing to energy efficiency and occupant comfort.
