Overview

How much does it cost to rent a shipping container?

To rent or lease a shipping container is often far more cost-effective than outright purchasing, depending on your requirements. The cost of renting a Conex box varies with various factors we'll talk about later. Typically, a standard 20ft or 40ft storage box rental costs between \$50 to \$400/month, depending on its condition.

Should you rent or lease a shipping container?

You can temporarily use rental shipping containers if your business is seasonal or needs short-term storage. Alternatively, it's also possible to permanently lease a Conex too. Don't be worried about someone renting the container before you. The rental company checks everything for damage and cleanliness.

How much does a storage box rental cost?

Typically, a standard 20ft or 40ft storage box rental costs between \$50 to \$400/month, depending on its condition. Suppliers usually offer substantial discounts for rentals of a year or more, and rentals are very flexible. But, there comes a time when it's better to buy. Many suppliers provide a rent-to-own plan.

Should you rent or buy a container?

Decide on which agreement is best suited to your circumstances. If you want the container for less than a year, then go for a rental. If you want it for up to a few years only, then choose a lease. But, if you're going to use it immediately for a long period, choose a rent-to-own.
