Reykjavik Folding Container

Overview

What is a Feurer insulated container?

FEURER insulated containers offer the ideal solution for the transportation and storage of temperature-sensitive products. Whether food, medical products or sensitive goods – our insulated containers ensure reliable temperature maintenance to keep your products fresh and safe at their destination.

Why should you choose insulated containers?

Whether food, medical products or sensitive goods – our insulated containers ensure reliable temperature maintenance to keep your products fresh and safe at their destination. With high-quality materials and sophisticated design, we combine excellent protection with easy handling and sustainable reusability.

What is a thermocontainer Max?

Lightweight yet stable, it protects products from temperature fluctuations and thus enables safe transportation. The Thermocontainer MAX offers 862 liters of volume in a compact 120×80 cm. Robust, lightweight design ensures safe, environmentally friendly transportation of food.
