

WALMER ENERGY

Riyadh Two-KW solar container outdoor power EK

Overview

What is SIG & Yellow Door energy doing in Riyadh?

SIG and Yellow Door Energy launched SIG's 2-megawatt solar project in Riyadh. The project, under the patronage of Saudi Authority for Industrial Cities and Technology Zones ("MODON"), emphasizes the importance of greening industrial cities and supporting the MODON Green Initiative.

How many solar panels will be installed in Saudi Arabia?

Covering 8,000 square meters, the solar installation will feature over 3,200 solar panels. The initiative will reduce carbon emissions by 1,300 metric tons annually, contributing to SIG's Climate+ targets while supporting Saudi Arabia's Net Zero Emissions by 2060 goal.

What is Saudi Arabia's first on-grid industrial solar plant?

The 2-MWp solar plant will be one of the first on-grid industrial solar projects in Saudi Arabia directly connected to an industrial plant. Covering 8,000 square meters, the solar installation will feature over 3,200 solar panels.
