## Overview

---

Where can I buy a container in New Zealand?

TITAN is here to make your search for new containers for sale or used containers as stress-free as possible. Huge New Zealand-wide network of depots to keep your delivery costs down. Small to large containers. Plus, high cubes, offshore containers and more. Thousands have trusted us for their storage solutions since 1987.

Who is NZ containers?

NZ Containers is a New Zealand-owned family business. We are a small team dedicated to selling, hiring, and moving shipping containers throughout New Zealand. We pride ourselves on our friendly and personalised customer service.

Does NZ containers provide good customer service?

NZ Containers consistently delivers excellent customer service with quick, efficient processes for purchasing and delivering containers. However, concerns about product quality, specifically related to lower grade containers, need to be addressed to maintain customer satisfaction.

Can you finance a solar system in New Zealand?

You can power your home with a solar system today and pay it off over time—with finance rates as low as 0-1%. We work with leading finance partners, including Gem Visa, Q-Mastercard, and Purple Visa. These options enable you to get started immediately. Solar loans are available through major New Zealand banks like Westpac and BNZ.
