## Split 100W solar

## Overview

---

What is G2 100W split solar street light?

G2 100W Split solar street light adopts high-efficiency solar cells (around 17%), top performing long lifespan battery, and solid solar MPPT battery charge controller with built-in LED driver. Excellent Philips LED chips to make the luminous efficacy up to 140 lm/w.

What is a Luxman split solar street light?

LUXMAN'S G2 series Split solar street light fixtures combine architectural form and versatility to make it an excellent choice for outdoor solar lighting solutions.

What is split solar carriageway light?

Split Solar carriageway light provides luminaire solution for various areas and sites. The 100 watt split solar based lights design with a preset panel angle which is done beforehand in the factory according to the specific latitude and installation environment of each project. This simplifies the installation procedure and saves construction time.
