

# St George container solar

## Overview

---

Who is St-solar (Shanghai)?

ST-Solar (Shanghai) Co., Ltd was set up in 2003 as a high-tech company, specializing in solar cell, solar module, solar system design, production and sales. Strength in hand, fearless of any challenge, the company has 800MW capacity of solar module (including mono, poly, bifacial solar cells and modules, as well as BIPV).

Why should you choose a solar storage container?

Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy. Lower energy/maintenance costs ensure operational savings.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.

Who is St solar?

ST Solar has own technical and more experience on solar PV. The management under the Japan standard to keep the high quality of the products. ST Solar's achievement of today is just one step in the beginning of a journey to achieve a dream.
