

St Johns Folding Container Mobile Payment Methods

Overview

Whether you prefer traditional methods like Direct Wire and ACH transfers, the simplicity of using Debit/Credit cards, or the modern ease of digital payments through PayPal, Venmo, or Apple Pay, we have you covered. Who is St Johns packaging?

Founded in 1954 by René J. Leclair, St. Johns Packaging is a vertically integrated manufacturer of flexible packaging products that are sold to leading food and consumer product companies.

How do mobile payments function?

Mobile payments work by using technology built into most modern smartphones. Some methods involve a QR code, which only requires your phone's camera app. Adopting mobile payment methods like Apple Pay and text-to-pay can speed up transaction times and increase sales.

What is St Johns packaging doing in Mexico?

St. Johns Packaging will be looking to develop the Mexican market via its Embalaje St. Johns, S. de R.L. de C.V. Greenfield subsidiary which is expected to begin operations during the second half of 2020. In May 2022, St. Johns Packaging acquired Plasticos Uribe.
