

Tokyo solar Glass Manufacturer

Overview

Will photovoltaic cells be made in Japan?

The photovoltaic cells will be manufactured in Japan and the glass will be manufactured with cooperation from local partners. I hope that we can spread our photovoltaic power generation glass to many countries.” Advanced glass developed in Japan may come to change the windows and walls of the world.

Who makes solar Photovoltaic Glass?

As a leading solar photovoltaic glass manufacturer, it is a holding business for investments that produces and sells photovoltaic glass goods. IRICO Group is widely recognized as one of the world's top solar photovoltaic glass manufacturers. It was founded in 1984 and is currently headquartered in Beijing, China.
