

WALMER ENERGY

Tunisian solar energy storage investors

Overview

Which solar projects have been approved in Tunisia?

The Tunisian government has granted licenses to four PV projects with a combined capacity of 500 MW. The selected developers are Qair International, Voltalia, Toyota Tsusho and Scatec. Tunisia's Minister of Industry, Mines and Energy, Fatima Al-Thabat Shabb, has approved four solar projects with a combined capacity of 500 MW.

Does Tunisia have a solar plan?

To face the problem of energy dependence and to fight against climate change, Tunisia launched the Tunisian Solar Plan in 2009. As previously mentioned, the country aims to install 1 GW of renewable energy to provide 12% of the country's energy needs by 2020. Its long-term objective is to achieve 3.8 GW of renewable energy capacity by 2030.

Why should Tunisia invest in solar energy?

With an average horizontal irradiation of around 1,850 kWh/m²/year, the country has abundant solar resources. These resources are promisingly being developed to strengthen Tunisia's energy independence, while also being leveraged for exporting clean electricity to Europe, creating value and jobs locally.”.

Is Tunisia ready for a large-scale solar project?

It previously completed a 500 MW solar tender in December 2019. In October 2024, Tunisia launched a new tender for 200 MW of large-scale solar, with submissions due by Jan. 15, 2025. Tunisia's total solar capacity reached 506 MW by the end of 2023, according to the International Renewable Energy Agency (IRENA).

Tunisian solar energy storage investors

Tunisian photovoltaic energy storage investors

Exploring Diverse Options in Solar Energy Power for Global Jun 13, 2025 · Exploring Diverse Options in Solar Energy Power for Global Buyers The versatility characteristic of solar ...

World Bank Invites Consultants For Tunisian Solar & Storage ...

Mar 20, 2025 · The World Bank has launched a call for interested consultants to conduct a technical study for a 350 MW to 400 MW solar and battery storage project in Tunisia.&

Nur Energie

Jul 7, 2009 · Nur Energie has been present in Tunisia since 2008 working with local Tunisian and Maltese partners and investors to contribute to the solar energy industry in the region. TuNur ...

Energy storage and sustainability Tunisia

Tunisian official target to reach 30% renewable electricity production in its power mix by 2030 is highly conditioned by international support (concessional lines of credit, donations, direct ...

Solar Emerging Markets

Mar 2, 2020 · GIZ has been supporting the Tunisian Solar Plan and providing capacity building to enhance local capabilities related to renewable energy for local financiers, industrials, as well ...

Scaling up renewable energy investment in Tunisia

SCALING UP RENEWABLE ENERGY INVESTMENT IN TUNISIA Tunisia has an abundance of solar and wind resources, providing sustainable and cost-competitive options to meet growing ...

Tunisia greenlights 500 MW of solar - pv magazine ...

Mar 25, 2025 · The Tunisian government has granted licenses to four PV projects with a combined capacity of 500 MW. The selected developers are Qair International, Voltalia, ...

Tunisia: Solar Investment Opportunities 2.0

We are proud to present our second edition of findings on solar investment opportunities in Tunisia. This report highlights Tunisia's enormous photovoltaic potential while reflecting ...

Tunisia's Solar Market: A Turnkey Factory Investment Guide

Oct 21, 2025 · Capturing Tunisia's Solar Market: A Turnkey Factory Investment Blueprint Many entrepreneurs view solar manufacturing as a global game dominated by large-scale ...

Tunisia greenlights 500 MW of solar - pv ...

Mar 25, 2025 · The Tunisian government has granted licenses to four PV projects with a combined capacity of 500 MW. The selected developers ...

Powering Tunisia's Future: The Rise of Energy Storage ...

Apr 28, 2020 · Researchers at ENIT are developing thermal energy storage systems that store excess solar energy in molten salt. Early tests show 72-hour heat retention - perfect for ...

World Bank Invites Consultants For Tunisian ...

Mar 20, 2025 · The World Bank has launched a call for interested consultants to conduct a technical study for a 350 MW to 400 MW solar and battery ...
