

Victoria EK Container Energy Storage Plant

Overview

How many energy storage projects are there in Victoria?

773 MW of commissioned energy storage capacity and 21 utility-scale storage projects with a combined capacity of 2,326 MW under construction or undergoing commissioning at 30 June 2025. Figure 4: Emissions from electricity generation in Victoria, 2013/14 to 2024/25.

Is Pacific Green planning a second grid-scale energy storage project in Australia?

UK energy storage developer Pacific Green has proposed its second grid-scale energy storage project in Australia in a matter of months, unveiling plans for a massive 1GW, 2.5GWh big battery project in Portland in Victoria's south-west – the state's biggest such precinct.

What is Wooreen energy storage system (Wess)?

Latrobe Valley, Victoria – EnergyAustralia has today marked a major milestone with the official turning of the sod for the 350 MW Wooreen Energy Storage System (WESS) in the Latrobe Valley. The utility-scale battery storage facility will add reliability to Victoria's energy supply while supporting the growth of renewable energy across the state.

What are Victoria's energy storage goals?

It is worth noting that Victoria has several energy storage targets in place, including having at least 2.6GW of capacity by 2030, with this to be increased to at least 6.3GW by 2035. Eku Energy is an energy storage development platform that was launched through the Macquarie Asset Management-owned Green Investment Group (GIG) in late 2022.

Victoria EK Container Energy Storage Plant

Victoria Approves 2,200MWh of Battery Storage through ...

Nov 5, 2025 · The Victoria government in Australia has approved a 300MW/1,200MWh battery energy storage system (BESS) in Gippsland and a 332MW solar PV power plant in the state's ...

Australia: Victoria's second-largest BESS

Dec 3, 2024 · Construction has been completed on the second-largest battery energy storage system (BESS) in the Australian state of Victoria.

EnergyAustralia breaks ground on its largest project ...

Feb 28, 2025 · Latrobe Valley, Victoria - EnergyAustralia has today marked a major milestone with the official turning of the sod for the 350 MW Wooreen Energy Storage System (WESS) in ...

Victoria approves 2.2GWh of BESS via DFP

Nov 3, 2025 · The Victoria government in Australia has approved a 300MW/1,200MWh BESS in Gippsland and a 332MW solar PV power plant with integrated storage.

Victoria -- Industry News -- China Energy Storage Alliance

Nov 5, 2025 · The Victoria government in Australia has approved a 300MW/1,200MWh battery energy storage system (BESS) in Gippsland and a 332MW solar PV power plant with ...

Victoria to get huge big battery park as UK ...

Feb 5, 2024 · Pacific Green unveils plans for its second energy storage project in Australia, a massive multi-battery "energy park" in the industrial ...

Australia: Victoria's second-largest BESS

Dec 3, 2024 · Construction has been completed on the second-largest battery energy storage system (BESS) in the Australian state of Victoria.

EnergyAustralia breaks ground on its largest ...

Feb 28, 2025 · Latrobe Valley, Victoria - EnergyAustralia has today marked a major milestone with the official turning of the sod for the 350 MW ...

SEC begins work on 119MW solar-plus-storage site in Australia

Apr 10, 2025 · The SEC has confirmed that construction has started on the 119MW SEC Renewable Energy Park in Victoria, Australia.

Victorian renewable energy and storage targets

Nov 11, 2025 · The firm capacity delivered by Victoria's energy storage targets will provide reliable, affordable and clean energy as Victoria's ageing and increasingly unreliable coal ...

WORK BEGINS ON VICTORIA'S 200MWH SEC RENEWABLE ENERGY ...

The new Belize Energy Resilience and Sustainability Project will deploy state-of-the-art battery energy storage systems across four strategic locations in the country, marking a significant ...

Energy Vault to Supply Victorian Government-Owned Renewable Energy

Feb 15, 2025 · 0 561 Energy Vault, a global leader in sustainable energy storage solutions, has announced an agreement with Victorian government-owned renewable energy company, the ...

Victoria to get huge big battery park as UK developer ...

Feb 5, 2024 · Pacific Green unveils plans for its second energy storage project in Australia, a massive multi-battery "energy park" in the industrial hub of Portland.
