Victoria Shelter Outdoor Power Prices

Overview

What is a Felton outdoor shelter?

Felton provides a premium range of aluminium outdoor shelters, including park shelters, school shelters, skillion shelters, and bus shelters, designed to offer durable and stylish weather protection. Ideal for schools, parks, resorts, and waiting areas, our shelters combine sleek modern design with functionality.

What is a towable shelter?

The towable shelter is NOT just something you simply leave on site and drag around. These shelters have a very specific use. They're used to save on crane costs, where you have a piece of equipment too big to move for maintenance. You can simply cover and uncover your asset at any time by moving it easily with any medium sized vehicle.

Should you buy a Felton industries aluminium park shelter?

As Australians we love spending time outdoors, but through much of the year, the sun can be blistering and shade is essential. A Felton Industries aluminium park shelter is the answer; stylish and durable, it fits into any environment, while offering that much needed shade to take the edge of the summer heat.

Can you install a new outdoor power point in Melbourne?

Much like plumbing, electrical issues are complex and even minor mistakes can lead to dangerous experiences. So, give our experts a call at Precision Electrical & Plumbing today to install your new outdoor power point in Melbourne! { {author:bio} }
