

Wholesale 3000 amp switchgear in Netherlands

Overview

Who is SGC - switchgear company?

SGC is an independent manufacturer of medium voltage switchgear solutions worldwide. We have more than 45 years worth of experience in the development and production of medium voltage cubicles from 1 kV to 24 kV, for both indoor and outdoor applications. SGC - SwitchGear Company provides reliable products for electrical distribution applications.

Where are switchgears made?

Each and every switchgear is built in this single factory in Belgium and our engineers are literally just one feet away from the production floor. Supervisors and managers are out on the floor. When a change needs to happen, they can be on the assembly line instantly implementing those changes.

What factors influence the electrical supply industry in the Netherlands?

When exploring the Electrical Supply industry in the Netherlands, several key considerations emerge. The country boasts a strong commitment to sustainability and renewable energy, which significantly influences market dynamics.
