

WALMER ENERGY

Wholesale of 100kW Solar Container Solar Units in Australia

Overview

What is a 100kW solar package?

Our 100kW solar package provides steady and reliable power for every part of your business, with tier 1 solar panels in a massive configuration and a serious 100kW solar inverter.

What is the warranty on a 100kW solar panel system?

Our 100kW solar panel system comes with a 25 year performance warranty, 10 year manufacturer's warranty, and 5 year warranty on workmanship (including installation). To find out if a 100kW solar panel system is right for your large operation, give us a call on 1300 274 737 or get a quote now.

Who is direct solar wholesaler Energy Group?

Direct Solar Wholesaler Energy Group is a national-wide renewable energy solar and battery company. We carry most of the quality brands in the market, from panels to inverters and battery storage.

Why should you choose a commercial solar company in Australia?

As one of the leading providers of commercial solar in Australia, we understand the complex needs of big operations and the importance of having constant access to steady, reliable power. We have the expertise and experience required to assist your business in reducing your carbon footprint and electricity costs.
