

WALMER ENERGY

Wholesale of waterproof photovoltaic containers in Europe

Overview

Who is solar webshop?

We are not just another solar webshop — we are a trusted solar PV supplier and distributor with real warehouses, real stock, and real people across Europe. Every order is backed by physical inventory and a dedicated logistics network, not empty promises.

Who is pvshop EU?

Coordinating sales of PV contingents from several PV warehouses across Europe, PVshop.eu and our partners are for the most offered brands authorized PV distributors. The outlet products we offer are mainly remaining PV components from technological reserve or stock liquidations (delistings, sell-offs, etc).

Where to buy solar panels & B-goods?

& B-goods at great discount prices. At Memodo, you can find solar modules, energy storage systems, charging stations, heating solutions, accessories and much more at top prices, with the best quality and with good availability. We have the best brands in the industry.

Are the offered PV contingents still available?

The offered PV contingents in this category are remaining last units and their availability can change within hours. If you have question, please contact us
