# Wind and solar energy storage manufacturers

## Overview

---

Do energy storage systems work with solar and wind?

In the growing world of energy storage, there are some companies whose individual stars have risen to the top; some of them have found creative and scalable storage systems to work in conjunction with solar and wind.

Who are the top China Energy Storage companies?

This report lists the top China Energy Storage companies based on the 2023 & 2024 market share reports. Mordor Intelligence expert advisors conducted extensive research and identified these brands to be the leaders in the China Energy Storage industry. Contemporary Amperex Technology Co., Limited. Contemporary Amperex Technology Co., Limited.

Who makes wind turbines?

German firms such as ENERCON and Nordex, as well as China's Mingyang Smart Energy and Envision Energy, are also key players shaping the future of wind power. This ranking highlights the top 15 makers of wind turbines worldwide, according to their installed capacity as of October 2025. 1.

Who owns Vivint Solar?

Acquired by Sunrun in 2020 for US\$3.2bn, Vivint Solar entered the home energy storage market in 2017 with a partnership with Mercedes-Benz Energy followed by another partnership with LG Chem. Known for its residential solar installations, Vivint has emerged as a notable player in the energy storage sector as it has expanded its offerings.
