

# Yemen solar energy storage joint project

## Overview

---

Will solar power boost power in Yemen?

UAE-based Global South Utilities, an energy and water infrastructure company, is boosting its solar power generation capacity in Yemen to provide electricity to thousands of homes amid growing power challenges in the country.

Can solar power Yemen's Ataq city?

Photo: Global South Utilities UAE-based Global South Utilities inaugurated a 53-megawatt solar project in Yemen to power 330,000 households, significantly enhancing local electricity access. Electricity from the plant will "fully meet" the needs of Ataq City and six surrounding districts.

How does the UN Support Yemen's energy crisis?

The UN has initiated projects with international partners to support Yemen's energy crisis. Through funding from the EU and Sweden's government, the UN Development Programme has undertaken decentralised off-grid initiatives, with a focus on solar power.

Where is a 53-megawatt solar power project located?

The 53-megawatt solar power project has been inaugurated in Ataq City in the Shabwah governorate. Photo: Global South Utilities UAE-based Global South Utilities inaugurated a 53-megawatt solar project in Yemen to power 330,000 households, significantly enhancing local electricity access.

## Yemen solar energy storage joint project

---

Yemen solar project: 6.5 MW Breakthrough ...

Mar 27, 2025 · The Future of Solar Energy in Yemen While the completion of the 6.5 MW solar project is a significant achievement, it is only the ...

---

Yemen Island Energy Storage Project

The Makkuva Solar PV Park - Battery Energy Storage System is a 1,000kW lithium-ion battery energy storage project located in Makkuva, Vizianagaram, Andhra Pradesh, India.
