Which company will start a solar project in Zambia soon?

Aurora Power Solutions operates across Sub Saharan Africa focusing on solar power. They mainly provide their services in South Africa, but will start a project in Zambia soon. Vitalite offers pay-as-you-go home systems throughout Zambia.

What is the solar sector in Zambia?

The Zambian solar sector consists of several segments, with most installations using solar photovoltaics (PV) to generate power. These systems are mainly used for electronic devices, lighting in businesses, houses, and communities, as well as solar water pumping, heating, and cleaning.

Does Zambia need solar power?

Zambia has a high potential for solar power and the sector is growing. Right now, Zambia mainly depends on hydropower, but droughts have made this source less dependable. Combined with the increase in electricity demand, a new renewable source like solar power is desirable.
